

Cookie Policy

Last Updated: September 2019

This site (<https://epc.sharp.eu/>) uses small files called cookies helping visitors to customize or optimize their experience. This policy outlines what cookies we capture and why, and what you can do to control them. Since all cookies being currently in use are essential / functional cookies these are necessary to browse and to utilize this site correctly.

How Can I Control Cookies?

You can control how cookies are used via your internet browser. You can usually find these settings in the 'options' or 'preferences' menu of your browser. To understand these settings, the following links may be helpful, or you can use the 'Help' option in your browser for more details.

[Cookie settings in Internet Explorer](#)

[Cookie settings in Firefox](#)

[Cookie settings in Chrome](#)

[Cookie settings in Safari web and iOS](#)

You can also:

- Access our website using an anonymous/ incognito browser window (please consider that our site does not work fully without cookie acceptance, especially if you intend to login)
- Find out more information [About Cookies](#)

What are 'cookies'?

'Cookies' are small text files that are stored by the browser (for example, Internet Explorer, Chrome or Safari) on your electronic device. They allow websites to store things like user preferences. You can think of cookies as providing a 'memory' for the website, so that it can recognize you when you come back and respond appropriately.

How does Sharp's website use cookies?

A visit to a page on a Sharp website generates the following types of cookies:

Cookies types	Functionality
Essential/ Functional cookies	Strictly Necessary / Functional Cookies – these cookies are placed on your browser to ensure that our website works and delivers your information and services securely and optimally. These cookies are necessary for you to be able to make use of our online system. Please note that session cookies will be deleted automatically upon closure of your browser.
